## Your guide to Joondalup Health Campus (JHC)

**How to find us**

Enter the health campus via **Regents Park Road** and use your parking permit to park in car park **P4**. This is the car park in front of the Joondalup Child Development Service (Building V) and Dental Centre (Building U).

With the **COVID Clinic** in front of you, walk past the clinic, down **Hampton Court** and around the back of the hospital building. Keep following the building round until you see the front of the hospital.

We are located in **Suite 213 Level 2, Medical Centre West** (Building O – the same building as the flower shop, café and pharmacy 😊).
